

Bespoke courses in Bricklaying - £120/day inc VAT

Our bespoke courses in bricklaying are designed around your specific needs. These can range from 1 day courses to as long as required to cover the learning you need.

Examples can be basic or advanced:

- ✓ Building a chimney
- ✓ Building complex piers
- ✓ Replacing damaged bricks in situ
- ✓ Specialised pointing
- ✓ Archways
- ✓ Working with lintels
- ✓ Specialised coping – dog-tooth, creasing tiles
- ✓ Herringbone other decorative brick patterns
- ✓ Building a single brick wall
- ✓ Laying a soldier course
- ✓ Pointing techniques and joint finishes
- ✓ Building corners (Quoins)
- ✓ Brick and block laying for cavity walls including damp proof
- ✓ Building a 9” garden wall with brick on edge coping

There will be continuous assessments, tutor feedback, course validation and evidence to enhance your learning experience which in turn will give you the best possible outcome of the course. This will give you solid foundations to begin your career in the building trade. We are confident our courses will enhance your learning abilities and employability prospects.

Hot and cold drinks are provided during breaks times. All tools and materials will be supplied for you. Please wear suitable clothing and please be advised, for your safety, you are required to supply your own safety footwear. We are flexible to suit all individual requirements. If a break in your training period occurs, we can recommence within an agreed time frame.

All courses are designed on individual needs and will be discussed during the induction.
