

5-day Plastering Course - £450.00 inc VAT (in-house certificate qualification)

This is a hands-on course to help you gain knowledge and confidence in Plastering. Our Instructors have vast experience working on site and in a learning environment. You will be guided and assessed in a timely manner, throughout the course.

Our 5 day Plastering course can be tailored to suit your individual needs whether you are a complete novice or you have had experience of Plastering and just want to improve your skills. It's also a very good starting point for people beginning their career in construction trades.

Our typical curriculum is as follows:

- ✓ **Health & Safety briefing**
- ✓ **Introduction to the tools of the trade**
- ✓ **Materials and quantities**
- ✓ **Correct use of power tools, hand tools and techniques**
- ✓ **Plaster boarding**
- ✓ **Mixing plaster**
- ✓ **Plaster Ceilings**
- ✓ **Plaster walls**
- ✓ **Plastering to a finish using various techniques**
- ✓ **Rendering using sand and lime (scratch coat)**
- ✓ **2nd coat of render on scratch coat**
- ✓ **Float finish**
- ✓ **Plastering piers**
- ✓ **Angle beads**
- ✓ **Patch and repair**

There will be continuous assessments, tutor feedback, course validation and evidence to enhance your learning experience which in turn will give you the best possible outcome of the course. This will give you solid foundations to begin your career in the building trade.

We are confident our courses will enhance your learning abilities and employability prospects.

Hot and cold drinks are provided during breaks times. All tools and materials will be supplied for you. Please wear suitable clothing and please be advised, for your safety, you are required to supply your own safety footwear. We are flexible to suit all individual requirements. If a break in your training period occurs, we can recommence within an agreed time frame.

All courses are designed on individual needs and will be discussed during the induction
